

# NATIONAL CUP COMPETITION!

## Watch for officially sanctioned ASTO Tournaments in your city!

Two different ASTO Tournaments are being held in cities across the country. Both Tournaments are important for your team rankings and individual player rankings. However, more points are awarded for an official ASTO National Cup Tournament than an ASTO City Cup Tournament.

### It's easy to get in the competition for the National Cup!

Sign up for a National Cup Tournament in your city in your age bracket. If you win your age bracket you will automatically be eligible to compete for the National Cup at the final tournament to be held in Los Angeles, CA in 2008.

### TEAM ENTRY FEES

**\$150**

**City Cup Tournaments**
